UAT-06 — barcode labels for the demo till (practice products only)

The demo box knows only these practice products. Cut out each label and stick it over the real barcode of a similar item, so the till finds it. Print at 100% (no "fit to page"). After the session, peel them off — never use them on the real store system.

Demo Bath Soap 100g
Stick on: any bath soap

8 900000 000012

Demo Bath Soap 100g
Stick on: any bath soap

8 900000 000012
